Scale 1:50

*Featuring the scuffs  
and scrapes of a  
real working machine.*

**WEATHERED  
SERIES**

Taking the Cat<sup>®</sup> 320F and adding the realistic weathering of a real working machine. The Cat 320F medium excavator is a simple, reliable, durable under 50,000 pound machine for contractors looking for a general construction solution. The Cat C4.4 ACERT engine delivers ample horsepower for lifting and digging capacity.

The professional weathering applied to this machine makes it ready for any diorama application, or display on the specially designed realistic dirt base.
