## Tonkin Replicas press release

---

**Tonkin Replicas** announce production of 3 mid-size wheel loader die-cast models in 1/50 scale Including the Cat® **950K**, Cat **966K** and Cat **972K**. More information regarding these models will be available later this year, contact Luc Lebel (see below). Further announcements about the Tonkin Replicas 2013 Cat die-cast model line up will be made in April during the Bauma Show in Munich, Germany.

Regards  
Tonkin Replicas team

## Information about the company

---

**Tonkin Replicas are based in Seattle, WA.** Since 1970, Tonkin Replicas have built die-cast trucks for the major North American OEMs. They sell their customized products to the fleets and count some of the world's largest transport companies as their customers. Tonkin Replicas has been a Caterpillar® licensee for Cat die-cast scale models since 2012.
