Cat® 980M Wheel Loader

The new Cat® 980M Wheel Loader, with its 2017 product update, provides better fuel efficiency along with operator comfort, convenience and productivity while incorporating the latest Cat Connect technologies. A new mono-block hydraulic valve design reduces weight while eliminating 40% of the potential leak points.

The 980M is powered by a Cat C13 ACERT™ engine that meets U.S. EPA Tier 4 Final and EU Stage IV emission standards.

Real Replicas
