1:50 Cat® 140 Motor Grader LVR

The Cat® 140 Motor Grader LVR is a versatile and high-performance grader manufactured by Caterpillar, commonly used in civil engineering, road construction, and maintenance. Equipped with an efficient engine and advanced powertrain, providing ample power and stable performance. Features advanced technology and control systems, such as automatic grading functions, precise control, and optimized hydraulics to enhance work efficiency and accuracy. The cab is designed for comfort with an expansive view, providing good operational comfort and safety for extended work hours. Built with a robust structure and high-quality materials to ensure reliability and longevity in various demanding environments.

The Cat® 140 Motor Grader LVR is an ideal choice for projects requiring precise grading and reliable construction.
