Cat® 938 Wheel Loader

The Cat 930 and Cat 938 are two medium-duty wheel loaders, each suited for different sizes and types of jobs.

The Cat 930's capabilities lie in its superior load-bearing capacity and flexibility, allowing it to handle a variety of materials from loose soil to ore. The Cat 938 is designed for high performance, durability and operator comfort. The powerful hydraulics and stable load-carrying capabilities allow the 938 to perform well in a variety of applications.

Diecast Masters is proud to introduce highly detailed scale models of the Cat 930 and 938 wheel loaders. With additional attachments, these new wheel loaders are sure to be a must have for collectors and enthusiasts alike.
