**Cat® 906M Wheel Loader**

Cat® track loaders and wheel loaders are among the most productive machines on any job site. Offering one-machine versatility, the 963K Track Loader can handle land clearing, backfilling, grading, truck loading, grading the more. Steel tracks provide low ground pressure and great traction, even in poor soil conditions.

The 906M Compact Wheel Loader features Caterpillar's exclusive Optimized Z-bar loader linkage for digging power and impressive parallel lift. With an array of work tool attachments, the nimble, the rubber-tired 906M excels in landscaping, agricultural, snow removal and general construction applications.

The Diecast Masters logo consists of the letters 'DM' in a stylized font inside a square, with the words 'DIECAST MASTERS' below it.
