Cat® 301.7 CR Mini Hydraulic Excavator

Diecast Masters is proud to introduce detailed replicas of three new mini excavators. The next generation 301.7 CR, 308 CR and 309 CR. These are being shipped to customers worldwide during 2019.

These new next generation excavators feature sealed and air conditioned cabs with next-gen LCD monitors and Cat stick steer technology. All models feature fuel saving load sensing hydraulics with quick-disconnect lines that provide for multiple applications in many environments. A large front window and expansive glass areas on the sides and rear of the cab provide all-around visibility.
